### **Jewelers for Children Announces 2023 Facets of Hope Event Brian Duffy and The Gabriels to be honored**

On Sunday June 4, 2023 Jewelers for Children will hold their annual Facets of Hope event and mark 25 years of the industry helping to enhance the lives of children. The event will be held at the Venetian Resort Hotel Las Vegas, in Las Vegas, NV during the jewelry market week.

During the event Brian Duffy of Watches of Switzerland and Jack and Dominick Gabriel of Gabriel NY will be honored. The charity will also announce the success of their fundraising efforts for the year, pledge donations to their charity partners, and mark 25 years since the industry organized to help enhance the lives of children.

“Brian, Jack and Dominick are some of the strongest honorees the charity has ever recognized. said Alan Zimmer, JFC Board Chair. Their support of the organization is unmatched.”

The event will be held in the Palazzo Ballroom at the Venetian 6:00 p.m. with cocktails and food. A brief program will be held where the honorees are recognized, followed by dessert. The popular JCK Rocks will be taking place immediately following the Facets of Hope event, also in the Palazzo Ballroom. Attending Facets of Hope will give you easy access to stay and enjoy the concert. JCK Rocks headline entertainment to be announced soon.

Anyone interested in attending or sponsoring can contact JFC at (212) 687-2949 or [info@jewelersforchildren.org](mailto:info@jewelersforchildren.org). Details and participation forms are available at the JFC website, [www.jewelersforchildren.org](http://www.jewelersforchildren.org).

*Jewelers for Children* was founded in 1999 by the U.S. jewelry industry with the mission of enriching the lives of children. Since its inception, JFC has raised more than \$60 million for programs enhancing the lives of children through our charity partners St. Jude Children’s Research Hospital®, the Elizabeth Glaser Pediatric AIDS Foundation, Make-A-Wish® America, and the National CASA Association. JFC also provides support to Make-A-Wish® International and the Organization for Autism Research.
