MAKE YOUR WISHES. MAKE A DIFFERENCE.

• JEWELERS FOR CHILDREN

Association for Children JFCO, the jewelry industry's largest charitable organization, works independently, directly, and indirectly on behalf of children. Since 1988, JFCO has donated more than \$22 million through the following jewelry products to needy children whose lives have been disrupted by catastrophic events in the following states:

MAKE A WISH FOUNDATION*

Since 1986, the wish-granting work of the Make-A-Wish Foundation™ has had a life-changing impact on more than 60,000 children with life-threatening medical conditions, as well as their families, siblings, friends, neighbors and entire communities.

ST. ALDIE CHILDREN'S RESEARCH HOSPITAL

Discussions made at St. Aldie have transformed the way the world views children with cancer and other catastrophic diseases. Years of hard research has led to 66 more children, every 100 days, - leaving the hospital cured and free of curable diseases. The cost per year treatment required when it occurred by insurance and their medical expenses are never added to the patients' families.

ELIZABETH GLASER PEDIATRIC AIDS FOUNDATION

The Foundation is dedicated to creating a future of hope for children and families worldwide by endowing pediatric AIDS, providing care and treatment to people with HIV/AIDS and accelerating the discovery of new treatments for other medical and life-threatening pediatric diseases.

NATIONAL COURT APPOINTED SPECIAL ADVOCATE ASSOCIATION

CASA advocates and promotes court-appointed advocate advocacy for abused and neglected children. Through CASA, the best interests of these children are represented. Despite the often underfunded court system, so that they can thrive in permanent homes that are safe, stable and secure.

INTRODUCING MY WISH LIST

Why keep your wishes to yourself? Start a "My Wish List" registry of the tempting treasures you love most at Tiny Jewel Box. We'll discreetly send a subtle email to the special people in your life, sharing your desires.

YOU'LL BE HELPING SOMEONE ELSE'S WISHES COME TRUE, TOO

Each time a purchase is made from your registry, Tiny Jewel Box will donate part of the proceeds to local and national charities. We will contribute to the Make-A-Wish Foundation, St. Jude Children's Research Hospital, Elizabeth Glaser Pediatric AIDS Foundation and the Court Appointed Special Advocate Association (CASA) through the auspices of Jewelers for Children.* Donations will also be made to local organizations that are transforming lives in our own community. In this way, every item on your Wish List can make a priceless and far-reaching difference to those less fortunate.

EXTENDING A LEGACY OF GIVING

Charitable contributions have been at the heart of our business for more than 75 years. It has been our ongoing privilege to give back to our community by supporting local charities among which are the House of Ruth, the Vince Lombardi Comprehensive Cancer Center, the Lab School of Washington and the Alzheimer's Association. We look forward to a future filled with opportunities to expand this commitment, starting with our new Wish List program - touching lives with every wish you make.
